**CHECK YOUR EMAIL:** Don't forget to check your email - we will be sending you very important information including links to your affiliate Dashboard and Login information. Please keep this information accessible because it contains everything you'll need to login and maintain your participation in our affiliate program and receive commission payments.

Note: The simplest way to organize this information is to create a folder called "VibeRx" on your desktop then when you get the email - "select all" and paste the contents into a word document and save the file as "VibeRx affiliate" or something similar. This way you can also keep any other marketing or informational communication and material together in one, easy to locate place. Please take a moment to set this up - you'll be glad you did.

If you have any questions at all, please do not hesitate to contact us at [affiliateinfo@viberx.com](mailto:affiliateinfo@viberx.com)

Once again, welcome!
