

L.I.V.E. 100 Whole Body Vibration Plate

A division of *Style For Life Inc.*

Features

- Pivotal (“See Saw”) Platform with 10mm displacement
- Control Panel offers 3 pre-programmed menus set to automatically cycle through various frequencies
- Control Panel allows customizable work out time and frequency settings for individual preferred workouts
- Programmable speeds range from 1-30
- 2 Undercarriage wheels for easy transportation from one space to another
- Low level noise emission
- Body fat sensor
- Adjustable Feet

Vibration Physics

The L.I.V.E. 100 works with 4 variables

- 1) Tilting vibration platform
- 2) Amplitude– Displacement of the plate
- 3) Magnitude– Power of the movement
- 4) Duration– Time spent on the machine

The tuned vibration automatically stimulates muscle reflex at their optimal frequency while reducing stress on joints.

The custom exercise programs developed exclusively for VibraWay enhance the effectiveness of the workout.

Warranty

- 1 year guarantee on all parts and labor.
- Rated for residential and light commercial use.

Price

\$799.00
Plus Tax and Shipping

Specifications

- Base: 22” x 20.5”
- Arm Width: 31.5”
- Height: 48”
- Weight: 97lbs
- Weight limit: 275lbs
- 110 volt, 1/4 horse motor
- Metal frame and base
